Manpower Supply

Great Mountain General Contracting Establishment was founded with a clear purpose: to provide Saudi Arabia's growing industrial sector with the equipment, manpower, materials, and trading solutions they need to operate efficiently and grow confidently.

Operating under the brand name mountain Rentals, we serve clients across the oil & gas, petrochemical, construction, and manufacturing industries — delivering services that are reliable, scalable, and aligned with the Kingdom's Vision 2030 development objectives.

Transportation & Logistics

As one of Saudi Arabia's most reliable logistics providers, TransportationSolutions specializes in the specialized transport of large and oversized equipment. Executing these extraordinary assignments demands a unique combination of skill, precision, and deep industry knowledge.

End-to-end transportation and logistics solutions for heavy equipment, bulk materials across Saudi Arabia . Our managed fleet and logistics coordinators ensure your assets arrive on time, every time — with full compliance and tracking.

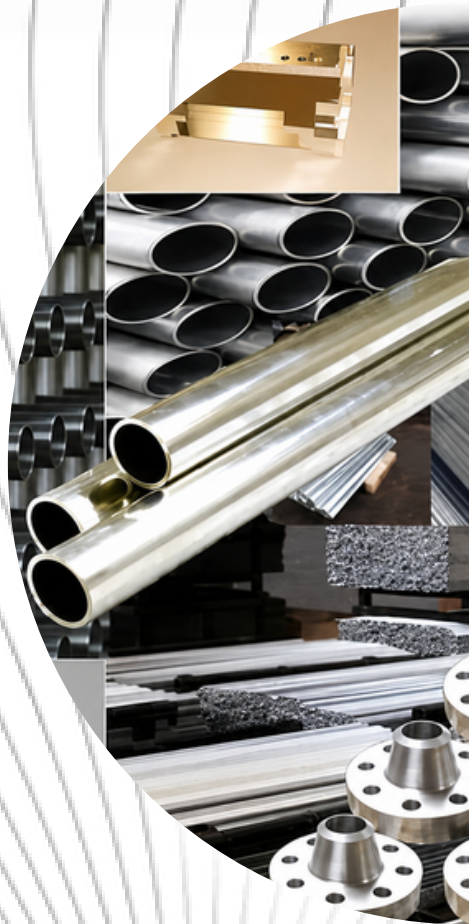

Trading and Material Supply

Our Trading & Material Supply services provide reliable sourcing and timely delivery of high-quality materials and industrial products for construction, infrastructure, oil & gas, and industrial projects across Saudi Arabia. Leveraging a trusted network of manufacturers and suppliers, we ensure the availability of quality products that meet project specifications, industry standards, and delivery schedules.

Industrial Trading & Procurement Solutions

We provide complete, end-to-end material sourcing, trading, and procurement solutions tailored to the fast-paced demands of Saudi Arabia's construction and industrial sectors.

From heavy industrial infrastructure to specialized commercial builds, we serve as a single-point procurement partner, minimizing supply chain risks and ensuring total compliance with local engineering standards (including Aramco, SABIC, etc).

Heavy lifting Services

Our Heavy Lifting Services provide safe, reliable, and engineered lifting solutions for industrial, oil & gas, infrastructure, and construction projects across Saudi Arabia. Backed by experienced professionals, certified operators, and a modern fleet of cranes and rigging equipment, we execute lifting operations with precision, efficiency, and strict adherence to international safety standards.

From routine lifting activities to complex critical lifts and heavy equipment installation, every operation is supported by detailed lift planning, engineering analysis, and comprehensive risk assessments. We are committed to delivering safe, timely, and cost-effective lifting solutions that ensure project success while maintaining the highest standards of quality and operational excellence.

- Mobile & Crawler Cranes
- Tandem & Critical Lifts
- Rigging & Sling Engineering
- Lift Planning & Engineering
- Certified Crane Operators
- Third-Party Lift Supervision
- Shutdown & Turnaround Lifting
- Heavy Module & Equipment Installation
